MEMORANDUM

Date: September 28, 2009

TO: All Providers

FROM: AC LME

RE: Provider Network

Due to the final state funding (IPRS) budget cuts, Alamance-Caswell LME has received from the Division of Mental Health we do not have extra state funding/IPRS monies to disperse to any *new* providers. Our Finance, UR/STR, and Provider Relations Departments will be working together to monitor the status of our provider network to ensure we have adequate & appropriate provider agencies available to provide services to consumers in our catchment area.

Based on identified needs of the community, Alamance-Caswell LME is now accepting Medicaid MOA requests from new providers and existing providers of enhanced services (i.e. Intensive In-Home Services, Community Support Team, etc.). However, the current moratorium on Community Support remains in effect.

If you have any questions, please feel free to contact Jean Gibson, Provider Liaison, via 336-513-4200 x 4142, or email jgibson@acmhdds.org.
