Utilization Management	<p>Each Local Management Entity is responsible for the development and implementation of crisis and emergency services delivery and authorization guidelines to ensure the prompt and efficient implementation of services to eligible “Crisis Services (CS)” consumers. This includes LME approved procedures for the authorization of 24 hour admissions to inpatient hospital, facility based crisis, and 24 hour detoxification programs.</p> <p>The Division recommends that the LME review and authorize Mobile Crisis services after the delivery of the initial 16 units (4 hours) of this service.</p> <p>During regular hours of operation, the Division recommends immediate notification of the LME by the crisis or emergency services provider for all 24 hour emergency admissions. Written notification regarding such emergency admissions is recommended to be provided to the LME within 24 hours in all circumstances.</p>
